Jeff and Steve,

We have been coordinating closely with HQ on direction for addressing short-term risks for TCE. Attached is a draft of a memo that HQ hopes to release in early September. HQ asked us to keep the memo confidential so please keep internal and use your discretion in sharing it with staff. We have also been working on a Region 9 memo (also attached) that we will be discussing with Jared, tentatively scheduled for next Tuesday, that we are recommending issuing now while we wait for the HQ memo. We coordinated with Patrick on earlier versions of the R9 memo. Please give me a call if you have any questions or would like to discuss further.
